#### BOARD OF EDUCATION

We are all extremely proud of the Elgin Public School System, which has maintained exceptionally high standards. This fine record has been upheld by the intelligent men who serve on the Board of Education. The decisions of these men are all important to the students and faculty of Elgin High School. The selection of our administrators and faculty members is one of their chief responsibilities. They make the improvements in our school buildings possible. The Board also tries to solve the school problems that arise. We are indeed fortunate to have such an excellent group of men on our Board of Education.

## *Mr. Alexander*

Between class periods Mr. Alexander can almost always be seen standing in the halls watching with genuine interest as the students go by. His friendliness and true interest in the individual have won the approval of the entire student body. Helping the students solve their problems and make decisions for their future education or career is one of Mr. Alexander's main concerns.

Mr. Alexander has stepped into the principal's position so efficiently that it seems as if he always belonged there. Elgin High School has been able to place great confidence in Mr. Alexander. In summing up Mr. Alexander's first year as principal, we may emphatically say that he has been very successful in winning the friendship and confidence of Elgin High School.

## *Expert guidance is always available*

**Mr. Paul Green**, dean of boys, is one of the busiest persons at Elgin High School, but always finds time for individual problems. Every student knows that he can place his complete confidence in Mr. Green.

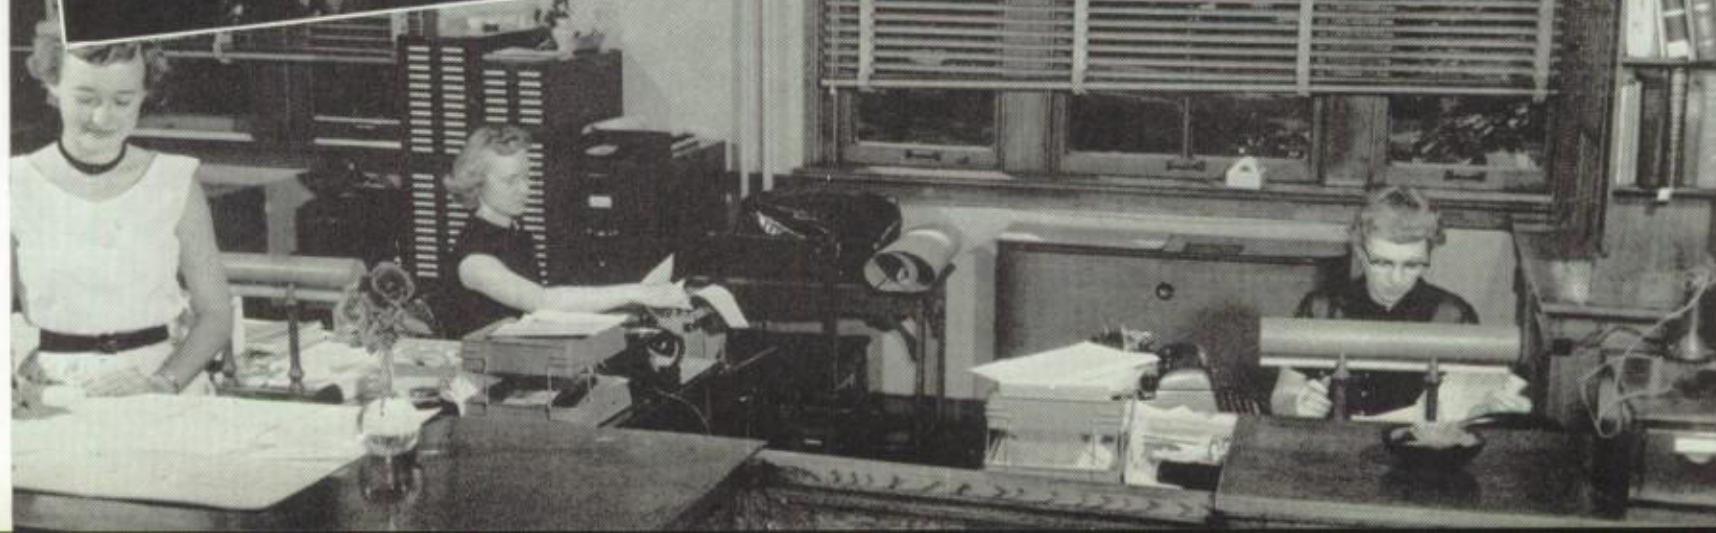

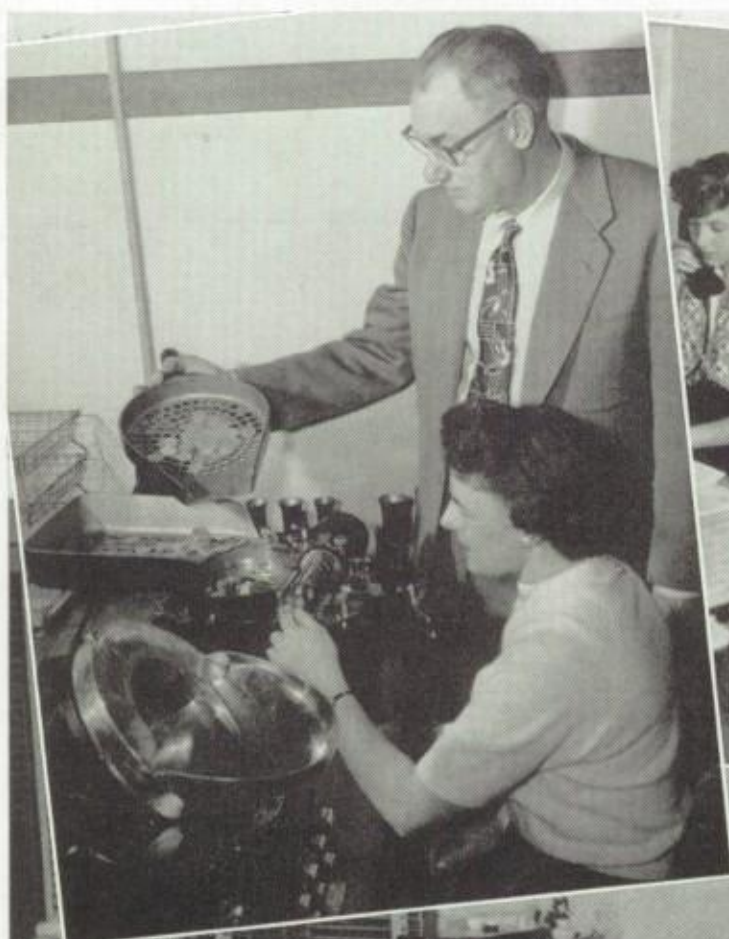

**Miss Margaret Fosberry**, dean of girls, is the kind of person on whom the student can depend. Under her direction the Girls' Club has done many beneficial things for the school.

### OFFICE STAFF

The finances of Elgin High School are the responsibility of Mr. L. V. Robinson and his able assistant, Mrs. Arlene Johns.

Elgin High School could not function without its efficient office staff, composed of Mrs. Donna Zierer, Mrs. Norma Utt, and Mrs. Eva Hopkins. This trio is very helpful to Elgin's student body and faculty.

Mrs. Beulah Leuck, our busy attendance director, shown with some of her hard-working student assistants, Carol Hoffman, Ruth Byrd, Barbara Smith and Gail Frank, runs a smoothly functioning organization.

## SENIOR CLASS HISTORY

"Forward ever, backward never" has been the basis of all the projects and activities of the Class of 1957.

Entering EHS as sophomores the class quickly adapted to the new situation. Their sophomore get-acquainted party, "Getting to Know You," proved that the Class of '57 was headed for great success.

In their junior year the class presented the delightful play **What a Life**. At Homecoming the class worked determinedly on their class float and received the first-place award in the "most beautiful" division.

The Homecoming activities presented by the senior class were outstanding. The suspenseful Senior class play **Kind Lady**, the rousing class song, the colorful class pennant, and a championship basketball team illustrate the exceptional achievements of the Class of 1957.

Everyone in the class will look back to the senior class supper, the Prom, and Commencement with wonderful memories of their days at EHS.

## THE MAROON STAFF

This year the Maroon staff have combined their efforts to give you, the student body, an original and interesting yearbook. At the beginning of the year we planned the ideas and theme for the book. New artistic designs and layouts were drawn up by the art staff. The information for the book was compiled and we set to work.

The photographers busily snapped pictures to portray the activities of Elgin High School. The staff began to write and rewrite the copy to be printed on the pages of the 1957 yearbook.

In March we saw many of our ideas actually pictured on the printed pages. Then came the days of proof reading to make sure that our book was accurate. Now we have completed our book, and we are presenting it to you for the final judgment. We hope you like it.

Upper left: Molly Cook, editor-in-chief, and Reid Tonkens, business manager, study appropriate pictures.

Middle left: Judy Johnson types while Mary Ellen Cowan and Bob Cantrell select pictures for this year's book.

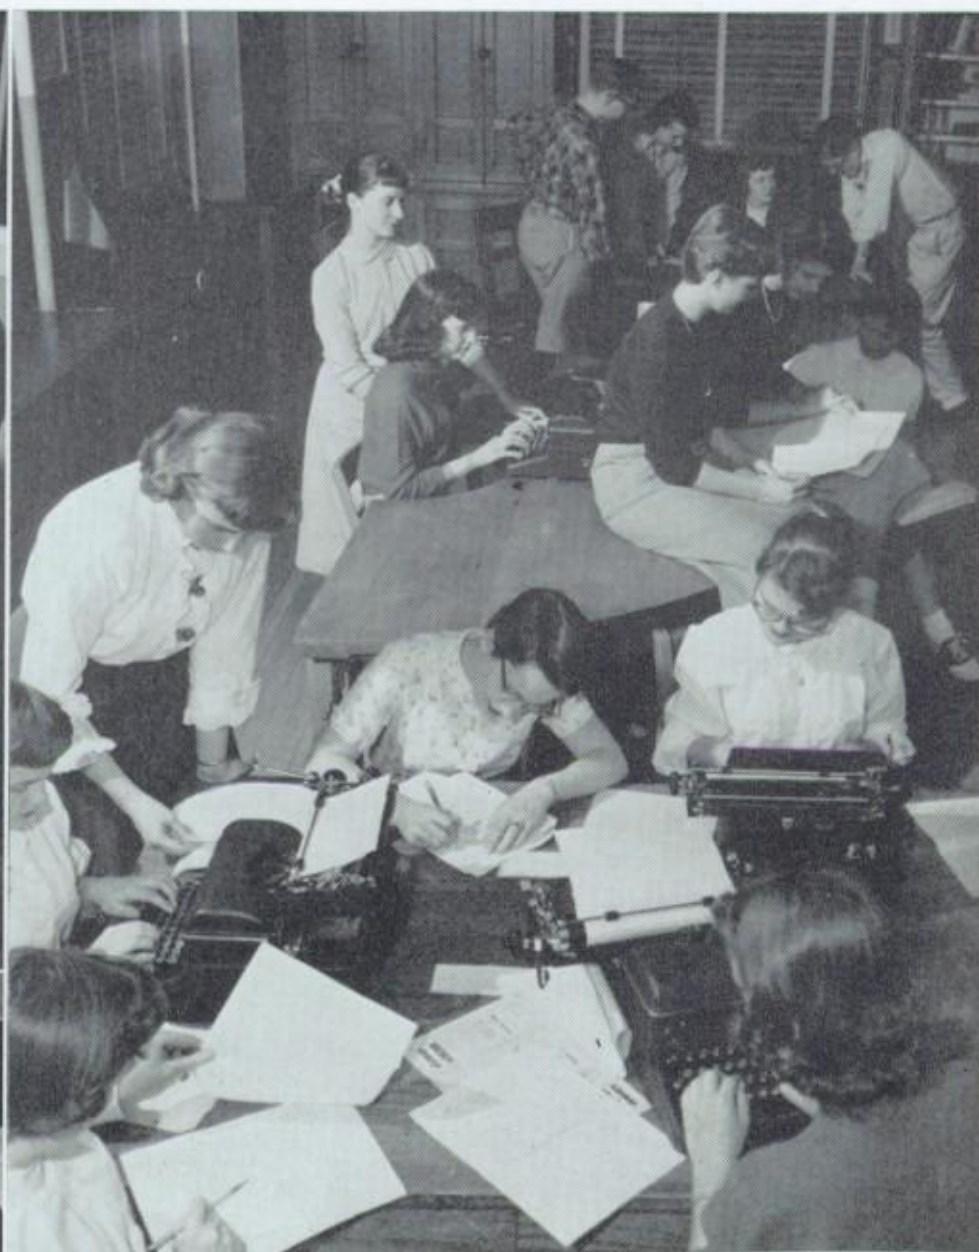

Lower left: Art editors George Foelschow and JoAnn Rifken plan layouts.

Lower right: Bill Martin looks over pictures for the sports section, while Bill Fishburn and Jim Lamp study sales receipts.

# *The Mirror focuses school events*

Upper left: Jerry Scroggin; Miss Burns, adviser; Pat Wright, editor; Janet Miller; Jackie Rockwell; and Sharlene Smith make plans for the next issue of the Mirror.

Upper right: Members of the staff type articles for publication.

Lower left: Audrey Greve, Martha Molitor, Pat Curtis, Frank Henkemeyer, Joan Lamp, Jon Christenson, Sharyn Johnson, and Marge Daneau work with enthusiasm to produce a good paper.

## THE MIRROR STAFF

The Mirror Staff searches for EHS news and unusual feature articles for our bi-weekly high school newspaper. The staff produces a paper of the highest caliber. It presents sports news, current events, and opinions of the student body. Miss Burns is the Mirror sponsor. The paper is self-supported and is partially financed by the local businessmen of Elgin.

# *The student body takes part in governing our school*

Student Council is a very active and progressive organization at Elgin High. The council is responsible for many activities which are sponsored at E.H.S. This year the foreign exchange student program was very successful; this is the biggest project of the year for the council. The council again sponsored a musical production **Without You**, which the student body planned, produced, and played.

Under the capable leadership of Jack Sunderlage, assisted by the rest of the officers, Mary Gromer, Mary Collins, and Bob Cantrell, the council was able to promote good feelings between the student body and faculty. The prime object of the council is to maintain the high standards which Elgin High School is known for.

## VARSITY FOOTBALL

A seventeen game winning streak . . . an 8-1-0 season mark . . . second place in the Big Eight Conference standings . . . these are records in which the members of the Elgin High School Varsity Football Team can take justifiable pride. Springing the "belly series" for the first time in our first two games, non-conference affairs with York and Thornton, we rolled to overwhelming victories. Fresh from our non-conference successes we roared into Big Eight Conference play, downing five straight opponents in preparation for our climactic showdown battle with East Aurora. In one of the most exciting gridiron battles ever staged between Elgin and East Aurora, East managed to eke out a 23-13 victory to end our seventeen game winning skien and cop the Big Eight Crown. In our final game the boys came back to crush the West Rockford Warriors in one of the most devastating offensive displays ever seen at Maroon Field. Although we failed to win the conference title, Willie Spates, scoring 30 points in the finale, copped conference scoring honors. Individual brilliance was a trademark of the varsity eleven as demonstrated by five of our players appearing on the all-conference team and Gary Kane being named on various All-State Teams.

# *Sophomores gained valuable experience*

## SOPHOMORE BASKETBALL

The Elgin High School sophomore basketball team opened the season by dropping its first few ball games because of inexperience and lack of team familiarity. By the time Big Eight Conference action had started, the team had rounded into a coherent unit. The boys combined a tight defense and clutch scoring to ride to the top of the conference standings in the first few weeks of the campaign. A midseason slump hit the team and caused them to finish well down in the conference race. In the Belvidere Tournament the sophomore quintet came back strong to defeat three powerful opponents and lose to a tall, talented West Rockford team in the championship game. All in all, it was a successful season giving the sophomores, who showed great promise for the future, much valuable experience.

## VARSITY BASKETBALL

Guided by the inspiring leadership of Coach Chesbrough and displaying outstanding teamwork, the team roared off to a fantastic start. In the first eleven games, the squad won every game by a margin of no less than thirteen points as they averaged well over eighty points a game. The high point of the streak was the sweet revenge victory over West Rockford by a score of 103-79. The boys were momentarily halted in the "deep freeze" game at East Rockford but managed to eke out a 16-15 win. The rest of the regular schedule was completed in record fashion, bringing with it the championship of our own Holiday Tournament, the Big Eight title, and Elgin High School's first unbeaten regular basketball season. The red-hot Maroons roared through the Regional averaging ninety-three points per game and limiting three opponents to only fifty-three points per game. After out-maneuvering DeKalb in

another attempted "deep freeze" in the opening round of the Sectional, the EHS quintet bowled over West Aurora in the finals to get a crack at Bloom in the Super-Sectional at Hinsdale. Trailing most of the way, the boys finally rallied to win on Gary Kane's clutch basket on the final minute and continue on the march "downstate." In the first game at Champaign against a hot-shooting, smooth-working ball club from Herrin, the Maroons dropped a see-saw tilt 66-60 to the eventual Illinois state champs; and thus completed Elgin High School's most successful basketball season in history. Although teamwork was probably the key to Elgin's success, individual brilliance shown brightly on the team. Chuck Brandt broke most of the existing Big Eight records and became not only an all-stater, but also Elgin's first All-American High School basketball player. Dick Becker and Gary Kane also made various all-area and all-state teams. Gary also had the added honor of being selected for the all-tournament squad in recognition of his clutch performances.

## VARSITY TRACK

The varsity track team of Elgin High School experienced one of its most successful campaigns in recent years. Well-balanced in both track and field manpower, the varsity thinclads rolled to victory in a majority of their dual meets and placed well in triangulars and other meets. Three boys—Jerry Hudgens, Glen Huber, and Ken Brown—qualified for the state meet. Ken Brown, our brilliant miler, placed fourth in his specialty.

## SOPHOMORE TRACK

Elgin High School's sophomore track squad enjoyed a successful spring season while gaining valuable experience for varsity competition. In the Blackhawk Relays, Ernie Akemann set a record for the shotput in winning both the shotput and discus events.
